The Association of Holistic Skin Care Practitioners – AHSCP

HOLISTIC HEALTH & BEAUTY CONFERENCE~2012

JUNE 10TH & 11TH ~WASHINGTON D.C. AREA

"The demonstrations were amazing, you could see the hands-on results immediately."
– Rebecca Lazano, Business owner, Miami, FL

"I think it was great...the perspectives that were talked about. I just loved the integration of the holistic nature of what we all do, how the body and the skin are affected by so many different things."
– Shannon Plummer, Esthetician and Doctor of Chinese Medicine Santa Fe, New Mexico

"It's just energizing to be in a room full of people who really have...very advanced thinking toward wellness. It's a totally different perspective of taking care of people and clients and ourselves and our families."
– Diane Kusunose, Physical Therapist, Carlsbad, CA

"Best place to learn holistic skin care."

– Modern Salon, 2009

Elina Fedotova
AHSCP President

WHAT YOU WILL EXPERIENCE AT THE CONFERENCE:

- The latest research on natural ingredients.
- Information about non-invasive methods for corrective, anti-aging and anti-inflammatory skin care treatments.
- Demonstrations of European and Eastern methods for individualized skin care protocols.
- Holistic skin care certification and continuing education for estheticians.
- Demonstrations of organic skin care product formulations.
- Networking opportunities with holistic practitioners.
